Please circle your party of choice. All of the Tea Parties are somewhat similar. They last 1-½ hours. We do crafts in the first ½ hour. I serve the tea and goodies on pink and white Battenburg lace tablecloths in the second ½ hour. I bring everything that is to be put on the table except the food. I also have tables and chairs hand painted with roses and ivy if you need to rent them. The dishes and cups are clear embossed plastic. I provide mint cups, centerpieces, party favors, napkins, place cards, dishes, cups, tablecloths, and music. I also provide everything for the craft which varies from party to party. We play games around the table and win small prizes in the third ½ hour.

**American Doll Tea** – I usually bring red, white and blue table settings unless you request pink for this party. We do a straw hat craft. All the girls are to bring an 18" doll or stuffed animal to put the straw hat on. We decorate the hats with feathers, ribbons, and flowers.

**Holiday Tea** – Valentines, Christmas, Halloween, or Easter is always a good time for a tea party. We do a craft to compliment the holiday, serve treats, and play games.

**Princess Tea** – This is a good party for all the little girls who are into beautiful princesses. I can dress up as your favorite. The craft for this party is a crown or a wand.

**Teddy Bear Tea** – This is good for the younger tea party goers. The craft is stringing bead necklaces for the teddy bears, which the girls and boys bring with them. A figure from Winnie the Pooh is the center bead. These parties are priced at \$165.00 for 8 children and \$7.50 for each additional guest.
